

MINUTES OF THE SANILAC TOWNSHIP PLANNING COMMISSION
PUBLIC HEARING
December 5, 2019

Public Hearing

Ordinance Section 5.16 On-Site Wind Energy Systems

Ordinance Section 6.52 Solar Energy System

Meeting called to order by Chair Falls at 7:00 p.m., followed by the Pledge of Allegiance.

Guests in attendance: 4

Members present: Dear, Falls, Haman, Milarch, Schlichting

Member absent: None

Dear reviewed for the audience the provisions included in Ordinance Section 5.16 On-Site Wind Energy Systems. A copy of the entire ordinance section was provided to all in attendance.

Public Comment:

G. VanHavel – Speak louder.

Haman reviewed for the audience the provisions included in Ordinance Section 6.52 Solar Energy System. A copy of the entire ordinance section was provided to all in attendance.

Public Comment:

S. Guigar – Commented on flying over a solar facility any seeing glare reflected back to the plan and asked for clarification on Section (f) (6).

D. Messing – Commented that the PC could make changes to the ordinance as drafted following the public hearing; in his opinion a height at maximum tilt of 15' is too high and his belief that there should be a requirement in the ordinance that the buffer zone needs to be maintained.

B. Messing – Commented that she could not imagine being surrounded by a black wall.

R. Milarch – Commented that the Township should stop all construction and no one should be able to plant trees if the view of another person's property belongs to their neighbor.

Public Hearing Adjourned at 7:28 p.m.
