

Notice to Sanilac Township Residents

Winter Tax Bills

Due to an error with the printing company, winter tax bills were printed from the township's office and mailed this week so that residents would have them as quickly as possible. On Friday, December 17, 2021 we received notice that the printing company had also corrected their error and mailed out winter tax bills. This means that township residents will receive two (2) winter tax bills, one from the township and one from the printing company. These two tax bills will look different, but both are for the Winter Tax 2021. Either copy is fine to use when paying your taxes. **Residents are only responsible for paying one (1) of the tax bills received, not both.** We apologize for any confusion that this error has caused.

If you have questions, please contact the Township Treasurer by calling 810-622-8178 Ext. 3, email her at treasurer@sanilactownship.org, or stop by her office at the Township Hall during normal business hours (Mon. – Wed. 10:00 AM to 2:30 PM).

Thank you for your understanding and patience,

Sanilac Township Board
